

Goal	Sample Questions
 Agree the topic for discussion Agree Specific objective for the program Set a long-term aim if this is appropriate 	 What would you like to achieve? What would you like to be different when finished with the program? Can we do that in the time we have available? How will you know when you have arrived?
Reality	Sample Questions
 Invite self assessment Offer specific examples of feedback Avoid assumptions Discard irrelevant history 	 What is the current situation? How do you know that this is accurate? What effect does this have on yourself, on others? How much control do you have on this situation? What have you tried so far? What are the main obstacles you face? What resources can you call on?
Options	Sample Questions
 Cover the full range of options Invite suggestions from the subject Offer suggestions carefully Ensure choices are made 	 What alternative ways are there to approach this issue? What would you do if you had more resources or more control? What would you do if you start again? What might be able to help you? Would you like a suggestion from me? Which would give the best result? Which option would you most like to act on?
Will	Sample Questions
 Get a commitment to act Identify possible obstacles Plan detailed action on a time frame Agree when suport will be given 	 What option will you choose? What will you now if you are successful? What are the next steps? When will do you what? What might get in the way? What support might you need? Who needs to know your plans? On a scale of 1-10 how committed are you to the course of action we have agreed? If less than 10, what needs to happen to make it a 10? When should we meet again?
