

In response to the ongoing coronavirus (COVID-19) pandemic, Soccer Nova Scotia has suspended all sanctioned activities, effective March 13th, 2020 until further notice.

Soccer Nova Scotia sanctioned activities include, but not limited to, all competitions, all league play, training/practices, coach and match official education and team building activities.

To ensure the health and safety of our players, coaches, match officials and administrators, all Districts, Clubs and Leagues will cease operations until further notice. We ask that Districts, Clubs and Leagues communicate this to their members.

The offices of Soccer NS will be closed to the public during this period of time but staff will be available through email and phone to assist where necessary. BMO Soccer Centre will be closed to the public until further notice.

Yours in Soccer and Safety,

Phil Swinney
President, Soccer Nova Scotia

Brad Lawlor
Executive Director, Soccer Nova Scotia
