Prevention recommendations from the Centres for Disease Control:

- Avoid touching your eyes, nose, and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.
- Wash your hands often with soap and water for at least 20 seconds, especially after going to the bathroom; before eating; and after blowing your nose, coughing, or sneezing.

Steps we are taking @ BMO Soccer Center:
- BMOSC has increased our daily staffing for cleaning and are actively cleaning surfaces daily.
- We are providing hand sanitizers within the facility and will be adding wall mounted dispensers as well.
- The preventive recommendations will be communicated to our stakeholders by email and social media.

Our Focus is on your safety.
