

BMOSC FACILITY PROTOCOLS

AFTER COVID-19 CLOSURE

- Information in this presentation has been updated as of October 7, 2020 and subject to change if restrictions change and / or Provincial Health Authority Guidelines change.
- BMO Soccer Centre opened for facility bookings on July 03, 2020 to coincide with Soccer Nova Scotia's Return to Soccer Activity Plan and the date clubs indicated they would be ready to resume soccer programming.
- BMO Soccer Centre is taking precautions to ensure staff and visitors are safe.
- Soccer Nova Scotia offices are operating under modified hours. No outside visitors to the office will be allowed until further notice.
- Upstairs is closed until further notice. Spectators are not allowed.
- The safety of our members and our staff is our first priority.

FACILITY BOOKINGS

- No online bookings until further notice. If you follow your Provincial Sport Organization's "Return to Activity" plan and wish to book time, please contact snsoperations@soccerns.ca.
- As of July 31, 2020, **NON-MEDICAL GRADE FACE MASKS MUST BE WORN** inside the BMO Soccer Centre by all entering the facility (players, coaches, team staff, etc.) from the entrance to the field. Once on the field, masks may be removed. Examples of what is not acceptable: shirts pulled up, bandanas, handkerchiefs, socks, scarves to name a few.
- Fields 1, 2, 3 (curtains lowered) and 4 will each be one booking and the Full Field (curtains raised) will be one booking.
- As of October 01, 2020, the limit is 50 individuals with contact per each open turf field, including coaches and team staff. Fields 1, 2 and 3 with the curtains down can accommodate 50 individuals each. Combinations of fields (1 and 2 with the curtain up) is considered one open turf field and can only accommodate 50 individuals total.
- The limit is 50 individuals with contact for Full Field Bookings. Full field with curtains up is considered an open turf field and can only accommodate 50 individuals total.
- It is the renter's responsibility to adhere to the BMO Soccer Centre per field occupancy limit. Failure to adhere to the limit could jeopardize existing and future bookings.
- One hour time slots to be offered with 15 minutes built in at the end for the required cleaning.
- When exiting all fields, players U12 and under should be escorted by a team staff member through the exit doors and to the parking lot for pick up to ensure their safety. Please remain with players until all are picked up by their parent or guardian.
- Locker rooms will not be available for use. Instead they will be used as Isolation Rooms should a person start to exhibit symptoms. During inclement weather, mats will be available along the entrance wall of the fields to change footwear etc.
- Teams can only access their equipment locker during time when they have booked fields 1 and 2 or full field, but are responsible for cleaning after each use.
- Teams are responsible for sanitizing their own equipment and providing the cleaning products.

Putting On a Mask

1. Perform hand hygiene.
2. Open mask fully to cover from nose to below chin.
3. Put on mask.
4. Secure ties to head (top first) or elastic loops behind ears.
5. Mold the flexible band to the bridge of nose (if applicable).
6. Ensure snug fit to face and below chin with no gaping or venting.

Taking Off a Mask

1. Perform hand hygiene.
2. Do not touch the front of the mask.
3. Carefully remove mask by bending forward slightly, touching only the ties or elastic loops. Undo the bottom tie first then undo the top tie.
4. Discard the mask in the garbage.
5. If the mask itself is touched while taking off, perform hand hygiene.
6. Never reuse masks.

As of July 31, 2020, **NON-MEDICAL GRADE FACE MASKS MUST BE WORN** inside the BMO Soccer Centre by all entering the facility (players, coaches, team staff, etc.) from the entrance to the field. Once on the field, masks may be removed. Examples of what is not acceptable: shirts pulled up, bandanas, handkerchiefs, socks, scarves to name a few.

CLEANING AND SANITATION

Hand hygiene stations available at entry and exit points and throughout facility.
Staff will follow a cleaning check list.
Posting of hygienic procedures.

Electrostatic sprayer to evenly coat and provide complete disinfection of surfaces. No touch disinfection eliminates human error while providing a broad-spectrum approach to disinfecting complete surface areas.

Commonly touched surfaces will be cleaned and disinfected after contact between individuals, even when not visibly soiled. This includes door handles, doorknobs, light switches, railings, elevator buttons, toilets, desks and tabletops etc.

Clubs are responsible for ensuring their equipment is properly cleaned and disinfected. Equipment lockers must also be sanitized after each use by Club staff.
